

MCO Notices

On September 1, 2016 HHSC deployed a new website. The link for the MCO Notices has changed and can be found on the following link: <https://hhs.texas.gov/services/health/medicaid-and-chip/provider-information/notices-and-alerts-managed-care-organizations>. At this time, the links to past MCO Notices are broken but we are working to fix them as quickly as we can.
